

Christian Leadership University

Bringing the voice of God to your learning experience

Monday, October 15, 2007

Dear Pastor Vincent Cannatello,

Christian Leadership University accepts the four Modules of completed course work from The Kingdom Institute's Online Bible School (OBS) as being worth 30 credits toward an associates or bachelors degree from Christian Leadership University. The transfer cost will be \$25.

Students desiring to transfer the above credits to CLU will need to:

1. Enroll with CLU at www.cluonline.com/apply/apply.htm (\$25 required)
2. Request that OBS send CLU an official transcript of the 30 credits earned (CLU will accept this official transcript). A \$25 administration fee will get these 30 credits transferred onto a CLU transcript.
3. Begin taking additional CLU courses of your choosing until you reach the required number of credits to earn a degree. All CLU students begin with course "REN103 Communion With God"
